CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 42 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. You've written a book. How do you get it published? Thanks to the Kindle revolution it has become easier than ever to get your books published. What once was only a dream for authors, has now become a reality. Whatever your preferred genre, getting published is now in YOUR hands. Still, there IS some work involved in getting your book into e-book and print form. When I found myself jobless after 27 years I was forced to take action. One day, while stressing about the lack of job opportunities, I rediscovered my passion for writing. Within THREE weeks I had written my first book. It only took me five DAYS to write my second one. It was an incredible feeling! But how was I going to get it published? Could I make any money if I did? The answer to both is a resounding YES! It took a lot of research, trial and error, before I learned what I am about to share with you. With our 5 Keys to Publishing on Kindle we hand-hold you through the process. Everything you need is right here in this book. It doesn't matter what your passion is: Fiction, Non-Fiction, Romance, How-to, Self Help, Children's books, (we added a BONUS list inside of the most popular genres); we show you how to get it out of your mind and into print in 5 easy steps. Most promise and don't deliver we show you how. We've also updated this book and added yet another bonus! Now we give you shortcuts that will make it even easier to edit and print your work! This item ships from La Vergne, TN. Paperback.
