SWIMMING UPSTREAM

Dog Ear Publishing, United States, 2009. Paperback. Book Condition: New. 208 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.In *Swimming Upstream*, Christine Roush offers her story as one who earns and spends money as the typical canvas on which so many families paint their lives. As she grows in her understanding and fiscal discipline, she learns that the apostle Paul's invitation to not be conformed to the pattern of this world any longer is an invitation for all followers of Jesus to begin swimming against the currents of our consumer culture. Christine invites the reader to join her swim team. Chris fills the pages with stories from her own life and those offered by friends, thoughtful questions, and resources for further information. In a time of economic downturn her book offers hope. In a time of prosperity her book reminds the reader of what really matters. I am becoming convinced that not only does the broad concept of stewardship need to be restored in the church, but that the practice of biblical stewardship in this consumer society is essential to healthy spiritual formation. Chris's book is an important step towards learning to be faithful Christ-followers in our day and time. Don't be deceived by the friendly and approachable nature of this text; it is rooted in excellent research. It has been a privilege to journey with Chris in the preparation of this study. My prayer is that the hard work represented in these words bears fruit for the Church and God's kingdom. - Dr Daniel L Brunner Professor of Christian History and Formation George Fox Evangelical Seminary Chris asks those questions we all think about as we go through life's journey and helps us see what scripture and life...
