

Building Resilience in Children and Teens: Giving Kids Roots and Wings

By M. D. Kenneth R. Ginsburg Md Faap

American Academy of Pediatrics. Paperback. Book Condition: New. Paperback. 330 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. This award-winning guide from bestselling author and pediatrician Dr. Ken Ginsburg guides parents and other caring adults how to help kids from the age of 18 months to 18 years build the seven crucial Cs--competence, confidence, connection, character, contribution, coping, and control. These are the critical ingredients young people need to bounce back from life's challenges and thrive far into the future. This invaluable book will guide you how to put into place the parenting style and communication strategies that will prepare your child for a meaningful and successful life. It provides a wide range of tactics, including building on children's natural strengths, fostering their hope and optimism, guiding them to avoid risky behaviors, and teaching them the lifelong necessity of caring for their physical and emotional needs. Building Resilience directly addresses how adolescents sometimes respond to stress by either indulging in unhealthy behaviors or giving up completely. It offers detailed coping strategies to help children and teens deal with stress due to academic pressure, high achievement standards, media messages, peer pressure, and family tension. Equipped with these strategies, our children will be more likely...
