iUniverse, United States, 2006. Paperback. Book Condition: New. 224 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.My friend Mr. Lucky journeyed around the world and through the tunnels of time learning countless poker variations from many fascinating characters. He learned Spit in the Ocean on a freighter in World War II, and Stalin taught him Ruin Your Neighbor in the depths of the Kremlin. Did I mention that Lucky is a tough teddy bear from Bayonne? I predict you ll love Nostradamus, where a player who guesses the suit of his neighbor s next card takes it from him, and Share Your Hole, where each player picks one of his hole cards to be a mutual card. Then there s Myron, where the pot has a hand, and Yanqui Baseball, where the last hall of fame number to show up is wild. Mr. Lucky tells lots of funny stories--like how Darwin taught him Man or Mouse, Caligula taught him Butcher Boy, and his hero Babe Ruth taught him about Baseball and life. This book is for people who play poker for fun! It s a bible for poker moms and required reading for college kids. It s already a cult classic! OK, so it s a small cult. You can join! Best poker book I ever read. -Redfew Tomes, 3rd grade Best teddy bear book I ever read. -Ima Lyre, Trussme, Mississippi Painfully funny. -Lord Howard Hertz.
