

Church Meets World

By Winnie Varghese

Morehouse Publishing, United States, 2016. Paperback. Book Condition: New. 178 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The New Church's Teaching series has been one of the most recognizable and useful sets of books in the Episcopal Church. With the launch of the Church's Teachings for a Changing World series, visionary Episcopal thinkers and leaders have teamed up to revitalize the series with fresh voices and style, making it grounded and thoughtful enough for seminarians and leaders, yet concise and clear enough for newcomers. A leading thinker and vibrant presence at the intersection of church and world, Winnie Varghese explores the what, how, and why of Episcopal engagement with contemporary social issues. Like the master of the household in Jesus parable (Matthew 13:52) who brings out of his treasure what is new and what is old, Varghese leads readers to discover theological resources from generations past and how they help to guide our action around thorny issues like racial justice, gender and sexuality, economic disparity, definitions of family, the environment, and much more.
