Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Mix up Texas politics, a presidential race, a murder at the Alamo, an Apache medicine man, and then add a dash of former Rhodes Scholar who now goes by the name Wildcat Willie and you have the cast of the hilarious new comic novel Michelangelo Schwartz and the Mystery of the Alamo. Dr. Michelangelo Schwartz is a disheveled and disgraced professor who loves literature, booze and women, but not in that particular order. He finds himself in hot water when he heads to Texas to find out what makes the Lone Star State so unique. Along the way he will ride a mechanical bull, go on a rattlesnake hunt, spend time in an Apache sweat lodge and get a glimpse into the inner workings of the Texas oilmen. Hold on to your ten-gallon hat as we ride that bucking bronco called Texas politics and solve a crime that will change the history of our country and determine the next president of the United States. PRAISE FOR Michelangelo Schwartz and Mystery of the Illuminati. Step aside, Robert Langdon, respected,...
