

Human Anatomy Made Amazingly Easy

Filesize: 9.29 MB

Reviews

Complete information for publication fanatics. It is actually rally intriguing through reading period of time. I am happy to explain how this is actually the greatest publication i actually have read inside my own daily life and may be he finest ebook for possibly.

(Ms. Heidi Rath)

HUMAN ANATOMY MADE AMAZINGLY EASY

Watson-Guption Publications. Paperback. Book Condition: new. BRAND NEW, Human Anatomy Made Amazingly Easy, Chris Hart, This manual offers techniques that visually simplify and refine the study of the body's muscles and skeleton into concepts that can easily be used by beginning and intermediate artists alike. One example of this is the human neck. There are many large and small muscles in the neck, all rendered in great detail in most anatomy books, yet only four of them are ever visible. This book attacks anatomy from an artist's point of view, offering such valuable concepts as how to self-check the proportions of the head and body to make sure they are accurate, without the need of a model.
