Brand New Book ***** Print on Demand *****.Excerpt from **The Christian Father: What He Should Be, and What He Should Do; Together With a Collection of Prayers Suitable to His Condition** The appearance of **The Christian Father** in an English dress we hail with sincerest pleasure, and we doubt not that it will meet a warm welcome from the English-speaking community. Its companion volume, **The Christian Mother**, has met with well-deserved favor, and has found its way into many a Christian home, to cheer and to bless it. **The Christian Father** must be equally popular and equally beneficial, for it is equally admirable for its practical good sense, winning simplicity, and deeply religious lessons. It is no mere ideal father we have here, aspiring after unattainable or fanciful saintliness. It is a father such as God intended all fathers to be, such as should and might be found at the head of every Christian family. It is a genuine Christian father faithfully discharging the obligations of his state and sanctifying himself in the ordinary every-day duties of life. If in the family and in society God's holy providence has allotted to the mother a place which only the Christian mother can fill, with much more reason may we say the same of the father.
