BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 170 x 132 mm. Language: English . Brand New. From award-winning author Susannah Sandlin comes the second book in The Collectors series. How far will ordinary people go to protect their secrets? The Collectors games are as much about manipulating lives as finding lost treasure. Everyone is expendable as the ruthless C7 pushes people into gambling with their lives in order to find priceless objects lost to history. Samantha Crowe's secrets could ruin her career, while Brody Parker's could get him killed. They become pawns for two Collectors seeking Bad King John's crown jewels, which disappeared in rural England back when Robin Hood roamed Nottingham. This time, however, the Collectors a ruthless dotcom billionaire and a desperate London detective might not be playing for the same team, leaving Sam and Brody trapped in the middle. One thing's for sure: If either hope to survive, Sam and Brody will have to find a way to overcome their distrust and their growing attraction in order to succeed on this winner-take-all treasure hunt.
