

## Dracula Oxford Worlds Classics

By Bram Stoker

Oxford University Press. Paperback. Book Condition: New. Paperback. 448 pages. Dimensions: 7.6in. x 5.0in. x 0.9in. The most famous of all vampire stories, Dracula remains a compelling read, rattling along at break-neck speed, a true page-turner. Here is a new edition of one of the great horror stories in English literature, the novel that spawned a myth and a proliferation of vampire tales in film, television, graphic novels, cartoons, and teen fiction, including the current craze revolving around the Twilight and True Blood series. The volume includes a lively and fascinating introduction by Roger Luckhurst that considers the Gothic genre and vampire legend, discusses the vampire tale as sexual allegory, and outlines the social and cultural contexts that feed into the novel, including the New Woman, new technology, race, immigration, and religion. In addition, Luckhurst provides comprehensive explanatory notes that flesh out vampire mythology and historical allusions, plus an appendix featuring Stokers short story, Draculas Guest, an early draft or abandoned chapter that was not published as part of the novel. Also included are a chronology of Bram Stokers life and a timeline of vampire literature before Dracula. About the Series: For over 100 years Oxford Worlds Classics has made available...
