HEART OF THE FALCON

St Martin s Press, United States, 2010. Paperback. Book Condition: New. Reissue. 170 x 104 mm. Language: English . Brand New Book. Madelyn Taggart has shattered her share of glass ceilings. As a young engineer at a Houston oil company, she s managed to make it in a mostly older, all-male, all-white industry. But her success has come at a high cost to her love life. So far this classic beauty has made zero headway in finding the man of her dreams until she sees a photograph of one of her brother s friends, and is determined to meet him. Daniel Falcon is a bit of a Lone Star legend. He s off-the-charts handsome and very, very rich. All the ladies entertain fantasies about being the one and soon find out he s not the type to settle down. Then Daniel meets his friend Matt s little sister. This Madelyn clearly has eyes for him but there s something about her that makes Daniel take a closer look. She s clever beyond compare, and ambitious, and sexy as the day is long. Is she soul-mate material? For the first time Daniel can remember, he s going to take his time to find out beginning with one slow, passionate embrace.
