Brookes Publishing Co, United States, 2015. Paperback. Book Condition: New. Workbook. 279 x 216 mm. Language: English . Brand New Book. For use with the Test of Integrated Language Literacy Skills(R) (TILLS(R)) Examiner s Kit, The Examiner s Practice Workbook provides practice material for scoring several subtests, including the Written Expression subtest. One copy of the Practice Workbook is included in the TILLS Examiner s Kit. The TILLS Practice Workbook is part of the Test of Integrated Language Literacy Skills(R) (TILLS(R)) the groundbreaking assessment professionals need to test listening, speaking, reading, and writing skills in students ages 6 - 18, and to assess the role of memory in how students perform. Reliable, valid, and comprehensive, TILLS will help you streamline assessment, monitor progress, and reach your ultimate goal: improving students communication skills so they can succeed in school. TILLS is the only test that assesses both spoken and written language and shows how these skills relate to each other. You ll get a meaningful profile of skills for each learner, so you can be sure you understand a student s strengths and needs and aren t overlooking something crucial. Unlike most other tests, TILLS also provides diagnostic accuracy in age bands meaningful to the development of language and literacy skills, so you ll have the evidence base you need to determine if test scores reflect typical or impaired performance. And if you re an experienced clinician, you can finish TILLS in just 90 minutes or less-which means you ll spend less time testing and more time helping students and planning interventions.
