ABORTION SERVICES AND MILITARY MEDICAL FACILITIES

Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The purpose of this report is to describe and discuss the provisions for providing abortion services to military personnel, their dependents, and other military health care beneficiaries at military medical facilities. The report describes the history of these provisions, with particular emphasis on legislative actions. Finally, this report discusses a number of proposals to modify the law as well as other related legislative and administrative actions. In 1993, President Clinton modified the military policy on providing abortions at military medical facilities. Under the change directed by the President, military medical facilities were allowed to perform abortions if paid for entirely with non-Department of Defense (DOD) funds (i.e., privately funded). Although arguably consistent with statutory language barring the use of Defense Department funds, the President's policy overturned a former interpretation of existing law barring the availability of these services. On December 1, 1995, H.R. 2126, the FY1996 DOD appropriations act, became law (P.L. 104-61). Included in this law was language barring the use of funds to administer any policy that permits the performance of abortions at any DOD facility except where the life of the mother would be endangered if the fetus were carried to term or where the pregnancy resulted from an act of rape or incest. Language was also included in the FY1996 DOD Authorization Act (P.L. 104-106, February 10, 1996) prohibiting the use of DOD facilities in the performance of abortions. These served to reverse the President's 1993 policy change. Within the last 15 years, Congress has considered numerous amendments to effectuate such changes. Although Congress, in 1992, passed one such amendment to make abortions available at overseas installations, it was vetoed. Abortions are...
