Excerpt: . . . into the world, and there you will see how poverty fares; but, because your heart is innocent, and I mean well towards you, I will grant you this one favour--when you are in trouble come to this forest, call my name, and I will come out and help you. My power is great, and I have gold and silver in abundance. So the young Prince had to leave the forest, and travelled over many rough and smooth roads, till he came at length to a large town. There he sought work, but without success, for he had learnt nothing which was of use, and at last he went to the Kings palace, itself and inquired if they could take him in. The court servants were unaware of any vacancy which he could fill, but because he seemed well-favoured they allowed him to remain. Soon...

### Reviews

*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).*
