AUTHORHOUSE, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.To be honest this is my second book that is being published through Author house. However, it is my first love of creativity with in one s mind. My family pride themselves in many ways to entertain each others on Sunday afternoon. When I was young, we had a little competition over the years between five of us. All had talent by sing, dancing and recital of plays or poetry. I myself followed Shakespeare sonnets, plus a wide range of stage plays by the great writer. So being who I am over the years of my life, I wrote down moments that I found amusing over forty years. To my surprise, I found over one hundred old notebooks. I having my experience with the first book which I name Dragon Eye Chronicles, it gave me the confidence to select two hundred poems for your entertainment. Of course, I rewrote and updated it to fit today s style of the society that we all choose to follow or protest for better life. I split up the book in six volumes that cover a wide range of material. Each sections is covering certain periods of my life. Growing up from a child, teenager, adult finding love, losing one s self with the outside influences. Please enjoy with a little soft music, red wine and candle light to capture the small love poems that I used in my youth and in closing I hope you enjoy them.
