Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

(Otilia Schinner)

THE STAIRCASE

Graphia. Paperback. Book Condition: New. Paperback. 240 pages. How could Lizzy Enderss father abandon her at a girls school run by nuns Shes surrounded by Catholics--but shes Methodist! Shunned by the other boarders, Lizzy befriends a wandering carpenter named Jos, who with just three tools--and unflagging faith--builds an elaborate spiral staircase in the new chapel in mere weeks. When he disappears without a trace, Lizzy realizes that the way she sees things is not always the way they are. Inspired by the legend of the miraculous staircase in the Chapel of Loretto in Santa Fe, Ann Rinaldi skillfully blends the mystery surrounding the staircases builder with the daily trials of a spunky thirteen-year-old girl growing up in the 1870s. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
