## STEEL DESIGN (FIFTH EDITION)

Cengage Learning, 2015. Softcover. Book Condition: New. 5th or later edition. Steel Design covers the fundamentals of structural steel design with an emphasis on the design of members and their connections, rather than the integrated design of buildings. The book is designed so that instructors can easily teach LRFD, ASD, or both, time-permitting. The application of fundamental principles is encouraged for design procedures as well as for practical design, but a theoretical approach is also provided to enhance student development....
