## IN EMILYS WORLD

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 26 pages. Dimensions: 8.0in. x 5.0in. x 0.1in. The world looks a lot different when viewed through the eyes of a 9 year old and Emily was just that, a 9 year old girl with lots of questions about the world around her. Her teachers as well as her parents had their hands full trying to explain the world to her and never could quite get the hang of what to tell her and what not to tell her. Many of her questions were about things that they knew very little about and did the best they could to satisfy her insatiable need to know. And she picked the strangest topics to question, but that was Emilys way. To Emilys way of thinking, things just had to make sense and if they didnt, then something was wrong. Trying to explain some of the complexities of the world to someone like Emily will drive you crazy in a very short time. And she seemed curious about the strangest things. But in her world, simple was the only thing she really understood. And many things she questioned surely had a simple answer. But it was the summer of her ninth year that would change her simple world forever when she became aware of a small group of homeless individuals living together in a park near her home. This item ships from La Vergne, TN. Paperback.
