In Lines for Living, Mary expands upon the themes from that bestselling book, once again sharing with us her inner world with a collection of stories and musings about life in all its hues and flavours. This volume is illustrated throughout with new, treasured quotes, of which she remains an avid collector - including some from the many readers who were inspired to write to her. The book weaves gently through the stages of life, covering such varying themes as motherhood and adjusting to the 'empty nest', age and beauty, the healing power of nature, home-making, food and celebrations, community, friendship, spirituality and gardening. Replete with the warmth, honesty and humour we have come to expect from one of Ireland's best-loved broadcasters, Lines for Living is the perfect gift to give or receive, a book to cherish and dip into time and again.
